

Kindness Painted Rocks

**In a world where we can be anything... Be Kind.
To celebrate Kind July lets spread the kindness by decorating
inspiring and happy messages on painted rocks!**

What you'll need:

- Assorted Rocks (Purchase from an Arts & Crafts or Homeware Store or find them in your garden)
- Colours for Painting (Acrylic Paints & Paint Brushes, Felt Pens or Chalk Markers)

Method:

1. Wash rocks under cold water to clean and pat dry.
2. Using Paints, Felt Pens or Chalk Markers create fun and inspiring messages. Make them as bright as possible!

Tips: Try phrases like: Be Happy, Brave, Shine, Inspire & Smile or paint happy pictures like rainbows and love hearts.

Hide your painted rocks in your local area, give them as gifts or decorate your home with them.
